

## Brookwood Broncos Varsity Soccer College Coaches Information

An information sheet will be put together with basic information on players on the varsity teams. This information will be kept in the announcer's booth to be given to any college coaches who come to watch our games.

This information will be very basic. The college coaches will have enough information to contact a player if they are interested in them and then the individual players can provide a full resume of experience, achievements, etc.

**Please provide the following information:**

Name: \_\_\_\_\_

Parent's Names: \_\_\_\_\_

Address: \_\_\_\_\_
