Girl's Varsity Coach
Anita McLane

Dear Brookwood High School Soccer Supporter,

The Brookwood Soccer Booster Club is already making preparations to get ready for our upcoming season which opens February 13th 2008 with our annual Invitational Tournament. We would like to thank you for all of your loyal support and contributions to the success of our program and invite you to continue your support.

Brookwood High School has one of the finest soccer programs in the state. Our 2007 Boy's Varsity team once again was a quarter finalist for the State Championship. Our 2007 Girl's Varsity reached the State semi-finals for the eighth year. Many of our graduating players are recruited to continue their soccer careers on the collegiate level. We expect our winning tradition to continue as we build on this record of success.

Our program is funded by our players, their parents and our concession stand. As you can imagine, a program of our stature requires financial support to maintain uniforms, equipment, field and coaching costs. In addition, the Booster Club provides 100% funding for any player that does not have the financial means to provide the required dues or seasonal costs. Despite our efforts and hard work this leaves us with little funds at the end of the season.

This year we are requesting even more community support than usual as we continue our goal of raising additional funds for a field house which would be utilized by our Girls' Softball team as well as all four of our Boys and Girls Soccer teams. Currently, our players have neither facilities to dress out for games or practices nor any secure area to keep their valuables while playing.

Therefore, in addition to our annual sponsor support, we are seeking support to donate funds, supplies and resource talents such as architecture, plumbing, construction expertise, for our field house through our community businesses and private sponsors.

Please take a moment, review our sponsorship form and consider assisting our program through season sponsorship or help us build our Soccer/Softball "Field House of Dreams". Donations of any size are welcome to Brookwood Soccer Booster Club.

Our teams consistently draw a large group of fans, second only to our football program and your exposure through advertising would be well spent.
